

eSearch Instructions

1. Click on **Search Indexes and Deeds**
2. **Read the Disclaimer and Accept**; this will take you to the **eSearch** page
3. Click **Sign in as a Guest** over on the upper left; this takes you to the search

From this point, you have several choices for searching by clicking on different tabs on the top of the page. For now, we're going to concentrate on the **Land Records 1737-1983** tab.

1. Click on the tab
2. Choose the date range you are searching from the drop-down menu in **Series**
3. Choose the **Party**, either Grantor or Grantee
4. Choose the **Type**; either individual, or corporation/firm
5. Enter **last name or corporate name**
6. Click **Search**

This will bring you to our online index books. Scroll through until you find the document you are looking for. Look to the right of the names and locate the book and page number of the document. Up on the top right portion of the page, you will see a location to put in the book and page number, then click **Search**.
